

# Mes émotions cette semaine

Une ligne par jour. L'enfant entoure son niveau du matin et celui du soir. Au bout de deux semaines, les moments difficiles se voient.

Semaine du : \_\_\_\_\_

|          | MATIN                 |                       |                       |                       |                       | SOIR                  |                       |                       |                       |                       |
|----------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
|          | 1                     | 2                     | 3                     | 4                     | 5                     | 1                     | 2                     | 3                     | 4                     | 5                     |
